

This is to certify that
Surely Services Limited

7 Granard Business Centre, Bunns Lane, Mill Hill, London, NW7 2DQ

Has been assessed
by Michael Minchinton for 2-sec Ltd
against the Cyber Essentials Scheme Test Specification

Level of certification: Cyber Essentials

Scope: Surely Services Limited. UK Operations.

Certification date: July 24th, 2018

Recommended re-assessment date: **July 23rd, 2019**

Certificate no.: 1802436031624234

This Certificate confirms that the organisation named was assessed against the Cyber Essentials Requirements dated June 2014, and at the time of testing, the organisation's ICT defences were assessed to meet the Requirements. Cyber Essentials Certification indicates that the organisation has implemented a sensible baseline of organisational cyber security only, and implies no guarantee of effective defence against commodity cyber attacks circumventing this baseline. Organisations are recommended to define and understand the risks to their organisation and take all appropriate action to mitigate or reduce any issues, which may require a greater degree of rigour or technical investment than is required for Cyber Essentials alone.
